PURPOSE

To explain to our school community the Department's and Banyan Fields Primary School policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Banyan Fields Primary School and,
2. Students' personal mobile phones and other personal mobile devices as defined below in the definition, brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches or tablet devices.

POLICY

Banyan Fields Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Banyan Fields Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours.
- Mobile phones should be handed into the school office where they will be stored in secure storage until collected at the end of the school day.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information).
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Banyan Fields Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones, owned by students at Banyan Fields Primary School, are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Banyan Fields Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Banyan Fields Primary School's Personal Property Policy and/or the Department's [Personal Goods policy](#).

Where students bring a mobile phone to school, Banyan Fields Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Banyan Fields Primary School, students are required to hand their mobile phone to the school administration office to be placed in a lockable cupboard.
