PURPOSE

The purpose of the Student Dress Code is to outline Banyan Fields Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Banyan Fields Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to;

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Banyan Fields Primary School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a dress code that they believe provides a range of choices for students and is cost effective for families.

IMPLEMENTATION

Banyan Fields Primary School will ensure that this Student Dress Code is communicated to all families and students through our website. We will assist students who may be experiencing difficulties complying with this policy where possible.

Banyan Fields Primary school strongly encourages the wearing of official logo uniform items, but non-logo bottle green tops are accepted.

Students wearing non-compliant uniform items may be asked to change into a compliant item if a spare, clean item can be provided by the school.

If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, a note will be provided to the student and parents by the classroom teacher. If non-compliance with the dress code becomes a continued occurrence, the Principal will be informed and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

Measures taken by Banyan Fields Primary School to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

If a student is out of school uniform a note is required from parents/careers is acceptable. Only two days are permissible unless otherwise arranged with the school. It is expected that in this situation, students would wear school colours and that clothing will not have inappropriate screen-printing/logo.

There may be occasions where students are permitted to wear non-school uniform e.g. fundraising, as a class or year level reward, book parade or house activities etc. The event will be advertised in advance and parents will be notified of the event/activity.

Students must not personalise any item of school uniform with names or nicknames, this includes, but is not limited to screen-printing or embroidery. This is particularly important to ensure the safety and well-being of students and maintain their anonymity whilst out of school in regard to Child Safe Standards.

EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply in writing to the Principal for an exemption to this Student Dress Code if;

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background

- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will;

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
